

# cable trunking

THREE COMPARTMENT dual rigidity trunking allowing easy installation of cabling by 'wiping in' through the soft plastic covers.

Provides the necessary segregation of power and data/telecom cables required by BS6396.

Self-adhesive backing for attaching to smooth surfaces. May also be screw mounted for additional security.

Available in lengths up to 3.2m. cut lengths available to order

Colour black

Office Electrics CABLE PROTECTION will accommodate cables of many types offering a sturdy defence against shoes. Simply "snap open" the base of the profile, insert the cables and lay in position on the floor

Available in two sizes see below
