

# HX-box

Developed primarily for conference/ meeting room desking, HX-BOX suits round or oval tables with virtually frameless detailing.

The hexagonal underdesk housing can accommodate anything up to 4 power and 4 data/AV outlets, and presents the sockets through a circular aperture of only 180mm.

All Office Electrics products are manufactured to enable compliance with BS6396 or BS7671 where relevant. UK sockets incorporate fuses as standard with colour coded inserts indicating fuse rating. Unfused sockets may be specified where applicable.
